**Resources Related to the Iron Industry in Northwest Connecticut**

**Visions of Iron: The Story of the Salisbury Iron District (DVD)**

Historian Ed Kirby weaves the narrative thread through this complex story of iron making in the Salisbury Iron District, a geographic area that includes Connecticut, Massachusetts and New York states.

**Echoes of Iron in Connecticut’s Northwest Corner by Ed Kirby**

The perfect companion to *Visions of Iron, Echoes of Iron* is the first book to examine the complex history and economics of iron in the Northwest Corner of Connecticut and the surrounding areas of New York and Massachusetts.
