CT Cultural Fund Operating Support Grants FY2023

Connecticut Humanities

Grant Eligibility

Stop! Before filling out the application, please be sure to review the following:

CT Humanities (CTH) is honored to partner with the CT Office of the Arts (COA) to administer the CT Cultural Fund Operating Support Grants program.

CTH will provide up to $8.5 million in general operating support grants to help the state's museums, cultural, humanities, and arts organizations maintain and grow their ability to serve their community and the public, connect K-12 teachers and students to strong humanities and arts content, and improve their information technology and digital infrastructure.

CT Cultural Fund Operating Support grants are GENERAL OPERATING SUPPORT grants for museums and 501(c)(3) nonprofit, municipal, Connecticut State, or Connecticut-based federally or State recognized tribal organizations that provide cultural-, humanities-, and arts-based projects and activities for the general public (i.e., museums, historical societies, arts organizations, cultural centers, and other organizations that offer activities such as exhibitions, performance, arts classes, public programs, or walking tours to the public). Please note that fiscally sponsored organizations are not eligible to apply, although organizations which have received or applied for 501(c)(3) status at the time of application will be eligible to apply. A full list of eligibility requirements can be found in the grant guidelines.

Eligibility will be determined by those organizations whose core mission, vision, focus, and legal purpose, as stated in their Articles of Incorporation and Bylaws, articulate a commitment to conduct museum, cultural, humanities, and/or arts activities AND at least 51 percent of their annual fiscal expenditures is allocated specifically to support cultural, humanities, and arts activities, programming, services or initiatives. All eligible applying organizations will receive funding support.

Grant awards will be calculated based on the applicant organization's annual operating expenses and revenues for the period of 7/1/18 - 6/30/23.

All eligible applicants will receive a grant award. The minimum award is $5,000 and maximum award is $250,000. Grants do not require a cash match.

Applications will be accepted through Friday, November 4, 2022, at 11:59pm. Award notifications are expected to be made the week of December 19, 2022.
Visit the CT Humanities website for more information about the CT Cultural Fund Operating Support Grants program.

Before proceeding, make sure your organization meets all requirements below.

Operational Budget - Current & Previous FY

In this section, we are interested in your financial data for your current fiscal year and most recently completed fiscal year.

Operating Support award amounts will be determined based upon the organization's operating expenses for the four most recently completed fiscal years (using data that was collected in last year's application), as well as the expected data for your current fiscal year.

Acceptable uploads for financial data for your current fiscal year could include a board-approved budget document or any other document that shows your organization's expected expenses and sources of revenue.

Acceptable uploads for financial data from completed fiscal years could include audited financial statements, profit/loss statements, budgets with actuals, or any other document that shows your organization's actual expenses and sources of revenue. Note: 990s are not an acceptable file format for organizational fiscal year data.
